The petitioner filed application for renewal of permit belatedly. Petitioner's grievance is that petitioner's application to condone delay in submitting the application for renewal is not being considered.

2. The learned Government Pleader submits that the petitioner's application to condone delay in submitting the application for renewal of permit would be placed before the next R.T.A. meeting.

3. In the above circumstances, this writ petition is disposed of with a direction to the 1st respondent to consider the application for condoning the delay in submitting the application for renewal of permit and pass orders thereon in its next meeting.
